## Woodcroft Primary School Canteen price list

(Updated 1 March 2021)

The Department for Education policy focuses on the whole school, not only the canteen, and aims to assist schools in identifying, selecting and promoting healthy food and drink choices appropriate for children.

“Right Bite” uses a colour code, **green**, **amber** and **red** to classify food and drink according to their nutritional value.

Canteens are encouraged to have lots of **green** choices on the menu, fewer **amber** choices and are not allowed to sell any red choices.
